

CYNATINE®
T O P

In accordance with Regulation (EC) No 1907/2006 and 2015/830

Section 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

Name of the substance: CYNATINE® TOP

Substance exempt from registration under the REACH Regulation (Regulation (EC) 1907/2006) and not classified in accordance with the CLP Regulation (Regulation (EC) No 1272/2008).

1.2 Relevant identified uses of the substance and uses advised against

Raw material for the manufacture of cosmetic products, with and without rinsing. See technical documentation.

1.3 Details of the supplier of the safety data sheet

KERAT'INNOV

37, Avenue du Mistral
ZI Athélia IV
13705 La Ciotat, France
Tel.: +33 (0)4 42 08 89 20
Fax: +33 (0)4 42 71 77 65
E-mail: contact@keratinnov.com

1.4 Emergency telephone number: ORFILA: + 33 (0)1 45 42 59 59 or contact the distributor in your country.

Section 2: Hazards identification

2.1 Classification of the substance or mixture

Classification (Regulation (EC) No 1272/2008)

The product is not classified as dangerous in accordance with Regulation (EC) No 1272/2008.

2.2 Label elements

Regulation (EC) No 1272/2008

The product does not require labelling in accordance with Regulation (EC) No 1272/2008.

2.3 Other hazards

The substance/preparation does not contain any ingredients considered to be persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or more.

Section 3: Composition/information on ingredients

Chemical identity: Keratin hydrolysate powder: 100 %

KERAT' INNOV

37, Av du Mistral Athélia IV
13705 La Ciotat France

CYNATINE®
T O P

3.1 Substance:

Chemical designation: Soluble keratin hydrolysate

CAS No.: 69430-36-0

EINECS No.: 274-001-1

3.2 Mixtures: Not applicable

Section 4: First aid measures

Substance not classified according to the CLP Regulation and not toxic according to existing data.

4.1 Description of first aid measures:

Eye contact: Rinse immediately and thoroughly with water

Skin contact: Rinse immediately and thoroughly with water

Inhalation: Immediately move the affected person to fresh air, away from the source of exposure. Seek medical attention if necessary.

Ingestion: No particular risk

4.2 Most important symptoms and effects, both acute and delayed

No data available

4.3 Indication of any immediate medical attention and special treatment needed

No data available

Section 5: Firefighting measures

5.1 Extinguishing media:

Use a water, powder or CO2 fire extinguisher

5.2 Special hazards arising from the substance

No data available

5.3: Advice for firefighters

A substance that foams and becomes slippery in contact with aqueous liquids.

Section 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures:

KERAT⁹ INNOV

37, Av du Mistral Athélia IV
13705 La Ciotat France

Tel.: +33 (0)6 26 18 15 00 Fax +33 04 42 08 89 49 contact@keratinnov.com

CYNATINE®
T O P

Avoid contact with the eyes and respiratory tract. Wear glasses and dust masks. Ensure that there is adequate ventilation.

6.2 Environmental precautions:

Do not put the product down the drain. Dispose of the product through normal waste disposal channels.

6.3 Methods and material for containment and cleaning up

Sweep or vacuum, place in a container. Slippery if spread on a wet floor

6.4 Reference to other sections: Not applicable

Section 7: Handling and storage

7.1 Precautions for safe handling:

Avoid dust formation

7.2 Conditions for safe storage, including any incompatibilities:

Store in a cool, dry place away from direct sunlight (temperature: 15°C - 25°C - Relative humidity: 35% - 65%)

7.3 Specific end use(s): No data available

Section 8: Exposure controls - Personal protection

8.1: Control parameters: The substance has no occupational exposure limit values.

8.2: Exposure controls: Non-classified substance.

Section 9: Physical and chemical properties

9.1 Information on basic physical and chemical properties:

- Appearance:
 - Physical state: Powder of variable grain size
 - Colour: Slightly yellow
- Odour: None
- pH: Not applicable (for information: $4 < \text{pH} < 6$ in 10% m/m aqueous solution, 20-25°C)
- Solubility: Soluble in water if $\text{pH} > 3$, highly soluble in alkaline medium

CYNATINE®
T O P

- Loss on drying: < 7%
- Evaporation rate Not applicable
- Boiling point: Not applicable
- Melting point/freezing point: Not applicable
- Flash point: Not applicable
- Minimum ignition energy (MIE): MIE > 1,000 mJ
- Explosive properties: Explosion violence in a 20 L sphere: Pmax = 7.3 bar, Kst = 67 m.bar/s, (dP/dt) max = 248 bar/s, (for a given particle size diameter at 90% of 114 µm, median 58.0 µm and diameter at 10% of 13.6 µm).
- Oxidizing properties: Data not available
- Decomposition temperature: Data not available
- Vapour pressure: Not applicable
- Vapour density: Not applicable
- Relative density: Not applicable
- Partition coefficient (n-octanol/water): Data not available
- Viscosity: Not applicable

9.2 Other information: No data available

Section 10: Stability and reactivity

10.1 Reactivity: No data available

10.2 Chemical stability: No data available

10.3 Possibility of hazardous reactions: No data available

10.4 Conditions to avoid: No data available

10.5 Incompatible materials: No data available

10.6 Hazardous decomposition products: No data available

CYNATINE®
T O P

Section 11: Toxicological information

Substance not classified in accordance with the CLP Regulation (Regulation (EC) 1272/2008).

11.1 Information on toxicological effects:

- Acute oral toxicity (rat): Oral LD50: > 5,000 mg/kg
Not classified as orally toxic
- Skin corrosion/irritation: Human, patch. Not classified as irritating to the skin
- Serious eye damage/irritation: HET-CAM Slightly irritating, not classified as irritating to the eyes
- Respiratory or skin sensitisation: Human, patch. Not classified as sensitising to the skin
- Phototoxicity (OECD 432): Not phototoxic, not classified
- Germ cell mutagenicity: No data available, not classified
- Carcinogenicity: No data available, not classified
- Reproductive toxicity: No data available, not classified
- Specific Target Organ Systemic Toxicity (single exposure): No data available, not classified
- Specific Target Organ Systemic Toxicity (repeated exposure): No data available, not classified
- Aspiration hazard: No data available, not classified

Section 12: Ecological information

12.1 Toxicity: No information available

12.2 Persistence and degradability: Biodegradable

12.3 Bioaccumulative potential: No data available

12.4 Mobility in soil: No data available

12.5 Results of PBT and vPvB assessments:

The substance/preparation does not contain any ingredients considered to be persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or more.

12.6 Other adverse effects: No data available

Section 13: Disposal considerations

13.1 Waste treatment methods: Non-classified substance

Section 14: Transport information

Non-classified substance: not subject to transport regulations.

14.1 UN number: Not applicable

14.2 UN proper shipping name: Not applicable

14.3 Transport hazard class(es): Not applicable

14.4 Packing group: Not applicable

14.5 Environmental hazards: Not applicable

14.6 Special precautions for user: Not applicable

14.7 Bulk transport in accordance with Annex I of the Marpol Convention and the IBC Code: Not applicable

Section 15: Regulatory information

15.1 Safety, health and environmental regulations/legislation specific for the substance: Not applicable

15.2 Chemical safety assessment: No data available

Section 16: Other information

This safety data sheet supplements the technical data sheets but does not replace them.

The information contained in this safety data sheet is based on the state of our knowledge of the product concerned on the application date indicated at the top of the page. We do not claim that it is exhaustive and it should be used as a guide and not as a reference.

This safety data sheet relates to the referenced product and shall become invalid if it is used with other products.

This sheet does not in any way exempt the user from knowing and applying all the texts regulating its activity.
