

Safety Data Sheet as per Globally Harmonized System (GHS)

GalSORB Homosalate

Version No. 1 Date of revision: April 21, 2016

1. IDENTIFICATION OF THE SUBSTANCE OR MIXTURE AND OF THE SUPPLIER

GHS Product identifier

Trade Name : GalSORB Homosalate

INCI Name : Homosalate

CAS Number : 118-56-9

EC Number : 204-260-8

Recommended use of the chemical and restrictions on use

Use of the substance/mixture : Ingredient in Personal Care products

Supplier's details : Galaxy Surfactants Limited
C-49/2, TTC Industrial Area
Pawne, Navi Mumbai, 400703, India
Tel: +91-22-27616666 / +91-22-65134444
Fax: + 91-22-27615886 / +91-22-27615883
e-mail: galaxy@galaxysurfactants.com

Emergency phone number : + 91-9867673376
(Language: English) + 91-9923585099

2. HAZARD IDENTIFICATION

Classification of the substance or mixture:

This substance is not classified as hazardous according to Globally Harmonized System of Classification and Labelling of Chemicals

GHS label elements, including precautionary statements

This substance does not fall under any hazard class as per Globally Harmonized System of Classification and Labelling of Chemicals

Other hazards which do not result in classification : Not known

3. COMPOSITION/INFORMATION ON INGREDIENTS

Chemical identity of the substance : Homosalate

Common name(s), Synonym(s) : 3,3,5-trimethylcyclohexyl salicylate; 3,3,5-trimethylcyclohexyl 2-hydroxybenzoate

CAS Number : 118-56-9

EC Number : 204-260-8

Safety Data Sheet as per Globally Harmonized System (GHS)

GalSORB Homosalate

Version No. 1 Date of revision: April 21, 2016

Concentration : 98% minimum

Impurities and stabilizing additives which are themselves classified and which contribute to the classification of the substance : Not known

4. FIRST- AID MEASURES

Description of necessary first-aid measures

Inhalation : If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention

Skin contact : In case of contact, immediately wash skin with soap and plenty of water. Remove contaminated clothing and shoes. Before reuse, wash clothing and clean the shoes. Get medical attention

Eye contact : Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention

Ingestion : Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If large quantities of this material are swallowed, call a physician immediately. Loosen tight clothing such as a collar, tie, belt or waistband

Most important symptoms/effects, acute and delayed : No data available

Indication of immediate medical attention and special treatment needed, if necessary

Treatment : Treat symptomatically

5. FIRE- FIGHTING MEASURES

Suitable extinguishing media : Dry chemical powder, water spray, carbon dioxide, foam

Unsuitable extinguishing media : Do not use high volume water jet, which may spread fire

Specific hazards arising from the chemical : Development of hazardous combustion products like oxides of carbon possible in the event of fire

Special protective equipment and precautions for fire-fighters : Wear personal protective equipment and self-contained breathing apparatus

Safety Data Sheet as per Globally Harmonized System (GHS)

GalSORB Homosalate

Version No. 1 Date of revision: April 21, 2016

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

: Use personal protective equipment. Wash hands after exposure with the substance. Avoid contact with eyes, skin and clothing. Remove contaminated clothing and wash before reuse

Environmental precautions

: Do not discharge into drains, surface water or ground water

Methods and materials for containment and cleaning up

: Small spill: Absorb with an inert material and put the spilled material in an appropriate waste disposal.
Large spill: Absorb with an inert material and put the spilled material in an appropriate waste disposal. Finish cleaning by spreading water on the contaminated surface and allow to evacuate through the sanitary system

7. HANDLING AND STORAGE

Precautions for safe handling

: Follow general occupational hygiene such as wash hands before and after use. Do not eat, drink or smoke in work areas. Do not breathe gas/fumes/vapor/spray. Wear suitable protective clothing. Remove contaminated clothing. In case of insufficient ventilation, wear suitable respiratory equipment. If you feel unwell, seek medical attention and show the label when possible. Avoid contact with skin and eyes. Take precautionary measures against static discharges. Avoid spill. Follow safe procedures for loading and unloading of product. Open slowly in order to control possible pressure release

Conditions for safe storage, including any incompatibilities

: Store the material at 25-35°C in a clean, dry, well-ventilated area away from heat, open flame and sources of ignition. Ground all equipment containing material. Product may solidify, if stored at < -10°C. If the product becomes frozen in IBC/HMHDPE carboys, then keep the same in hot room of 30-40°C (avoid direct heating). In the original sealed condition, when stored as suggested, shelf life of the product is at least two years. Once the carboy is opened, use the product within a week.
Stacking of HMHDPE carboys (Palletized): 1+1, both during transport and storage
Stacking of IBC: 1+1, both during transport and storage

Suitable packing materials

: HMHDPE carboys, Black IBC

Unsuitable packing materials

: Flexibags, White IBC

Safety Data Sheet as per Globally Harmonized System (GHS)

GalSORB Homosalate

Version No. 1 Date of revision: April 21, 2016

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Control parameters

Occupational exposure limits	: No data available
Biological limit values	: No data available
Appropriate engineering controls	: Proper plant design, technical measures and working operations should minimize human exposure. Ensure that eyewash stations and safety showers are proximal to the work station location
Individual protection measures, such as personal protective equipment (PPE)	: Eye/face protection: Splash goggles Skin protection: Full suit, boots, gloves Respiratory protection : Self-contained breathing apparatus

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance

Physical state	: Clear viscous liquid
Colour	: Colourless to pale yellow
Odour	: Bland
Odour threshold	: No data available
pH	: Not applicable
Freezing point	: < -10°C
Initial boiling point and boiling range	: 161 - 165°C at 4 mm Hg
Flash point	: > 100°C (closed cup)
Evaporation rate	: No data available
Flammability (solid, gas)	: No data available
Upper/lower flammability or explosive limits	: No data available
Vapour pressure	: No data available
Vapour density	: No data available
Relative density	: 1.049 - 1.053 at 25°C
Solubility(ies)	: Immiscible in water, propylene glycol. Miscible in isopropyl myristate, octyl palmitate, isopropanol, paraffin oil, mineral oil, olive oil, dimethicone. Partially miscible in ethanol
Partition coefficient: n-octanol/water	: No data available

Safety Data Sheet as per Globally Harmonized System (GHS)

GalSORB Homosalate

Version No. 1 Date of revision: April 21, 2016

Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity (Brookfield, RVT, #2, 50 rpm)	: 80 cps at 25°C

10. STABILITY AND REACTIVITY

Reactivity	: No hazardous reactions, if stored and handled as prescribed (Refer Section 7)
Chemical stability	: Stable under normal ambient and anticipated storage and handling conditions of temperature and pressure
Possibility of hazardous reactions	: Not anticipated when used or handled as prescribed
Conditions to avoid	: Sunlight, heat, flame and other sources of ignition
Incompatible materials	: Oxidizing agents, acids and alkalis
Hazardous decomposition products	: Will not form, if stored or handled as prescribed

11. TOXICOLOGICAL INFORMATION

Acute oral toxicity (Rat)	: LD ₅₀ : > 5000 mg/kg bw
Acute dermal toxicity (Rabbit)	: LD ₅₀ : > 5000 mg/kg bw
Acute inhalation toxicity	: No data available
Skin corrosion/irritation (Guinea pig/mice)	: No irritation
Serious eye damage/irritation (Rabbit)	: Slight irritation (Eye irritation study according to the method of Draize et al. (1959) comparable to OECD 405)
Respiratory or skin sensitization (Guinea pig/mice)	: Not sensitizing
Germ cell mutagenicity	
Bacterial reverse mutation assay	: Negative (OECD Guideline 471)
In vitro mammalian chromosome aberration test	: Negative (OECD Guideline 473)
Carcinogenicity	: No data available
Reproductive toxicity	: No data available
STOT-single exposure	: No data available

Safety Data Sheet as per Globally Harmonized System (GHS)

GalSORB Homosalate

Version No. 1 Date of revision: April 21, 2016

STOT-repeated exposure : Repeated dose toxicity: Oral (Rat): NOAEL: 100 mg/kg bw
Aspiration hazard : No data available
Information on the likely routes of exposure : No data available
Symptoms related to the physical, chemical and toxicological characteristics : Data not available on toxic symptoms
Delayed and immediate effects and also chronic effects from short and long term exposure : Short term exposure: Not known
Long term exposure: Not known

12. ECOLOGICAL INFORMATION

Toxicity

Short-term toxicity to fish : No data available
Long-term toxicity to fish : No data available
Short-term toxicity to aquatic invertebrates : No data available
Long-term toxicity to aquatic invertebrates : No data available
Toxicity to aquatic algae : No data available
Persistency and degradability : No data available
Bioaccumulative potential : No data available
Mobility in soil : No data available
Other adverse effects : No data available

13. DISPOSAL CONSIDERATIONS

Disposal methods : Dispose off contents/container in accordance with local/regional/national/international regulations

14. TRANSPORT INFORMATION

Not classified as dangerous according to transport regulations

15. REGULATORY INFORMATION

Safety, health and environmental regulations specific for the product in question : None as per data available

Safety Data Sheet as per Globally Harmonized System (GHS)

Version No. 1 Date of revision: April 21, 2016

16. OTHER INFORMATION

Revision Number	: GHS / Revision 0
Indication of changes	: Not applicable
Legend/acronym	: GHS - Globally Harmonized System STOT - Specific Target Organ Toxicity
Source of information	: In-house and literature

The information contained herein is based on data considered accurate. However, no warranty is expressed, or implied regarding the accuracy of this data, or the result to be obtained from the use thereof.

Galaxy assumes no responsibility for injury to the user, or third person proximately caused by the material, if reasonable safety procedures are not adhered to, as stipulated in the safety data sheet. Galaxy assumes no responsibility for injury to the user, or third person proximately caused by abnormal use of the material, even if reasonable safety procedures are followed. Further, user assumes the risk in his use of the material.
