Special extinguishing media

Wear protection gear and extinguish from windward.

Section 6: ACCIDENTAL RELEASE MEASURES

Personal precautions

Wear appropriate protection gear (Refer to Section 8) and avoid eye and skin contact.

Environmental precautions

Keep out of waterways. Avoid release to the environment.

Methods for containment

In case of small spill, absorb the spill in dry sand, soil or cloth and keep in closed container. In case of large spill, surround the spill by bank to prevent from leakage, and collect the spill after it is moved to safety place.

Prevention of secondary hazards

Keep ignition source away from spill.
