

MATERIAL SAFETY DATA SHEET

GLYPHOSATE ISOPROPYLAMMONIUM 48% W/V SL

1. IDENTIFICATION OF CHEMICAL PRODUCT AND COMPANY

PRODUCT NAME: Glyphosate Isopropylammonium 48% W/V SL

CHEMICAL NAME: N-(phosphonomethyl)glycine

CHEMICAL FORMULA: C₃H₈NO₅P

MOLECULAR WEIGHT: 169.1

USAGE: Herbicide

MANUFACTURER & ADDRESS:

Jadesheen Chemical Co., Ltd

No. 123, Qi Gang Road, Shizhuang, JiangYin (214446), P.R.China

EMERGENCY PHONE NUMBER: 0086 2134096507

2. COMPOSITION/INFORMATION ON INGREDIENT

Components	CAS Number	% (w/v)
Glyphosate	38641-94-0	48
INERT INGREDIENTS	-	52

3. HAZARD IDENTIFICATION

Xn: Harmful

R21/22: Harmful in contact with skin and if swallowed

4. FIRST AID MEASURES

INHALATION: Overexposure to spray mist may result in minor irritation of the upper respiratory tract.

SKIN CONTACT: No prolonged or significant skin irritation is expected. Practically non-toxic if absorbed.

EYE CONTACT: Eye contact may cause discomfort, tearing, swelling, redness and blurred vision.

SWALLOWED: Overexposure to spray mist may result in minor irritation of the upper respiratory tract.

5. FIRE FIGHTING MEASURES

EXTINGUISHING MEDIA: water spray, CO₂, dry chemical, and foam

SPECIFIC HAZARDS: Non combustible liquid.

MEASURES: Wear self-contained breathing apparatus with full protective clothing. Fight fire from upwind and keep all non-essential personnel out of area. If water is used to fight fire and cool the containers, contain run-off by diking to prevent contamination of water supplies. Containers in fire may burst or explode from excessive heat.

6. ACCIDENTAL RELEASE MEASURES

FOR SMALL SPILL: Soak up spilled material with paper towels and dispose in rubbish bin.

FOR LARGE SPILL: Contain-prevent run off into drains and waterways. Use absorbent (soil, sand or other inert material). Collect contaminated absorbent and place in plastic-lined drums for disposal. Wash area down with detergent and plenty of water. If contamination of crops or waterways has occurred advise emergency services or State Department of Agriculture.

7. HANDLING AND STORAGE

HANDLING: Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Personnel should use clothing and equipment as outlined below when handling open containers.

STORAGE: Store product only in original container in a secured storage area out of reach of children.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

RESPIRATORY PROTECTION: The product is not likely to present an airborne exposure concern during normal handling. In the event of an accidental discharge of the material which produces a hazy vapour or mist. Workers should put on officially approved respiratory protection equipment with a universal filter type including particle filter.

PROTECTIVE GLOVES: Wear heavy duty, natural rubber glove. The breakthrough times of gloves for glyphosate are unknown, but it is expected that they will give adequate protection because of the low dermal toxicity of the product. It is recommended to limit the work to be done manually

EYE PROTECTION: Wear goggles, safety glasses or face shield. It is recommended to have an eye wash fountain immediately available in the work area when there is a potential for eye contact.

SKIN PROTECTION: Wear appropriate protective clothing to prevent skin contact. Applicators and other handlers must wear long-sleeved shirt, long pants, shoes plus socks and protective eyewear.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: yellow liquid

Odor: odorless

Relative Density: 1.17g/ml

pH: 4.0-8.5

Flash point: Inflammable

10. STABILITY AND REACTIVITY

CHEMICAL STABILITY: The product is stable at ambient temperatures.

HAZARDOUS DECOMPOSITION OR BYPRODUCTS: None

MATERIAL TO AVOID: Do not mix, store or apply this product or spray solutions of this product in galvanized or unlined steel (except stainless steel) containers or spray tanks.

11. TOXICOLOGICAL INFORMATION

ACUTE ORAL (LD₅₀ Rat): >5600mg/kg

ACUTE DERMAL (LD₅₀ Rat): >5000 mg/kg

ACUTE INHALATION (LD₅₀ Rat): >9.86mg/L (4h)

IRRITATION:

Skin irritation (Rabbit) –Non irritant

Eye irritation (Rabbit) – Non irritant

Dermal (guinea pig) - Non sensitization.

12. ECOLOGICAL INFORMATION

Bird: LC₅₀>4640mg/kg (mallard duck);

Fish: LC₅₀=180mg/l (96h, rainbow trout)

Honeybee: LD₅₀>200µg/bee

Daphnia magna: 1625mg/l

13. DISPOSAL CONSIDERATIONS

Waste disposal method: Material that cannot be reused or chemically reprocessed should be disposed of in a landfill approved for pesticide disposal. Other possible methods of disposal are controlled incineration with flue gas scrubbing or removal to a licensed chemical destruction plant.

Contact appropriate state agency when considering a land spreading disposal option.

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

Packaging disposal: Emptied containers may retain vapour and product residue. Observe all labeled safeguards until container is cleaned or destroyed. Do not cut or weld on or near this container.

14. TRANSPORT INFORMATION

UN Number: 3082

Primary Hazard Class: 9

Packing Group: III

15. REGULATORY INFORMATION

This material and its container must be disposed of as hazardous waste. Avoid release to the environment. Refer to special instructions/safety data sheets

16. OTHER INFORMATION

All information and instructions provided in this Material Safety Data Sheet (MSDS) are based on the current state of scientific and technical knowledge at the date indicated on the present MSDS and are presented in good faith and believed to be correct. This information applies to the product as such. In case of new formulations or mixes, it is necessary to ascertain that a new danger will not appear. It is the responsibility of persons on receipt of this MSDS to ensure that the information contained herein is properly read and understood by all people who may use, handle, dispose or in any way come in contact with the product. If the recipient subsequently produce formulations containing this product, it is the recipients sole responsibility to ensure the transfer of all relevant information from this MSDS to their own MSDS.
