

MATERIAL SAFETY DATA SHEET

GlyAMINO 96% powder

1. Identification of the substance/ Manufacture

GlyAMINO 96% powder, Guanidino acetic acid , Glycocyamine

Company Identification:

Nanchang Lifeng Industry and Trading Co.,Ltd
Room 606 Sigma International Business Centre,636
Hong Du Bei Road,Nanchang-330006,Jiangxi,China
PhoneNumber: 0086-791-86862727,86862828
Fax Number: 0086-791-86862728

2. Composition /Information on ingredients

Chemical name: Glycocyamine (Guanidino acetic acid)

CAS NO.: 352-97-6

Chemical formula: $C_3H_7N_3O_2$

Structural formula: $H_2NC(=NH)NHCOOH$

Formula weight: 117.10

3. Hazards Identification:

None

4. First- aid measures:

None

5. Fire-fighting measures

Extinguishing media: No restriction.

Do not burn readily.

6. Accidental release measures

With plenty of water

7. Handling and storage

None-toxic as a food additive. Keep containers dry in a cool and well ventilated place.

No special measures required.

8. Expose controls/Personal protection.

Eye protection: Goggles

Hand protection: Rubber gloves

Respiratory protection: If product forms dust, wear dust-protection mask, avoid inhaling dust.

9. Stability and reactivity:

Thermal decomposition: 300 centigrade degree.

10. Toxicological information

After many years of experience in the production and use of the product no effects detrimental to health are known.

11. Ecological information

None contaminate

12. Disposal consideration

Wash to drain with copious quantities of water

13. Transport information

Keep containers dry in a cool and well ventilated place.

14. Other information

None

The data given here above is based on current knowledge and experience. The purpose of this Material Safety Data Sheet is to describe the product in terms of there safety requirements. The data does not signify any warranty with regard to the product's properties.
