

VITA safty data sheet

VCP/P_04

Date/ revised : 22 February 2024

Version 1.00

Product : NATU-MIX C

1. Substance/preparation and company name

NATU-MIX C

Company :

VITA Co.,Ltd

22 Soi Sukhumvit 42 .Sukhumvi Road, Prakanong,

Klongtoey, Bangkok 10110

Tel : (662) 712-1055

Fax: (662) 712-1034

2. Composition/ information on ingredients

Chemical nature Enzyme Diluent : (Phytase)

Substrate : Rice Hull

3. Possible hazards

Critical hazards to man and the environment : none

4. First aid measures

If inhaled : If difficulties occur after dust has been inhaled : fresh air, summon physician.

On skin contact : Wash with soap and water.

On contact with eyes : Wash affected eyes for at least 15 minutes under running water with eyelids held open.

On ingestion : Rinse mouth and then drink plenty of water.

5. Fire fighting measures

Suitable extinguishing media : water, foam, dry extinguishing media

The following can be given off in a fire : irritant gases/vapour

Special protective equipment : In case of fire, wear a self contained breathing apparatus.

6. Accident release measures

Personal precautions :

If breathable dust is formed : Breathing protection required.

Environment precautions :

Sources of ignition should be kept clear (dust explosion hazard).

Methods for cleaning up : Sweep/shovel up ; Avoid dust formation.

7. Handling and storage

Handling

Protection against fire and explosion : Avoid dust formation. Prevent electrostatic charge - sources of ignition should be kept well clear - fire extinguishers should be kept handy.

Storage

Keep tightly closed in a dry and cool place. Protect from light.

8. Exposure controls and personal protection

Additional information on the lay-out of technical plant
(see 7)

Components with workplace control parameters

none

Personal protective equipment

Respiratory protection : If breathable dust is formed.

Hand protection : protective gloves.

9. Physical and chemical properties

Form : powder

Colour : brownish

Odour : characteristic

Self-ignition temperature : >150 °C

Self ignition : minimum ignition energy > 10 mJ

Explosion hazard : dust explosion hazard

Bulk density : 450 - 650 kg.m³ (approx.)

Solubility in water : partly soluble

VITA safety data sheet

VCP/P_04

Date/ revised : 22 February 2024

Version 1.00

Product : NATU-MIX C

10. Stability and reactivity

Hazardous reactions : dust explosion hazard.

Hazardous decomposition products : No decomposition if used as directed.

11. Toxicological information

In our experience and according to information available to us the product is not harmful to health provided it is correctly handled and processed according to the given recommendations.

12. Ecological information

Elimination information

No data available.

Behavior and environmental fate

No data available.

Ecotoxic effects

No data available.

Further ecological information

No negative ecological effects are expected according to the present state of knowledge.

13. Disposal considerations

Product : Must be dumped or incinerated in accordance with local regulations.

Contaminated packaging : Uncontaminated packs can be recycled.
Uncleaned empties should be disposed of in the same manner as the contents.

14. Transport information

Not classified as hazardous under transport regulations.

15. Regulatory information

Labeling according to Livestock Dept.

Not subject to labeling.

National legislation / regulations
